Christian Finger Band feat. Rich Perry (NY/USA)

jazz

Sophisticated, melodic jazz performed by an outstanding international group of New York's finest musicians. Through the exciting and diverse compositions of Christian Finger and the effortless capacity of an elite ensemble, the group explores american jazz tradition and mixes it with european sensitivity.

LiaisonTonique

jazz

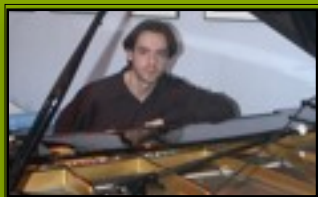

Jazz trio about the cologne painist Laia Genc. Crested by manifold awards, their origin compositions and sound ranges from lyrical themes to groovy rhythms. The band strikes by great virtuosity and agile ideas.

A.Tronic

jazz / pop / electronics

Welcome to interspace. André Nendza's A.Tronic brand new cd "Spectacles" provides, as expected, a musical and architectural masterpiece. The band produces high level compositions whereas singing and playing deftly among different styles like pop, jazz, funk or electronic sounds. There's only one title to describe it: contemporary art.

Vadim Neselovskyi

jazz

The young pianist played with Gary Burton's Next Generation and also with Herbie Hancock, Pat Metheny and John Scofield. After finishing Berklee College he studied at the Thelonius Monk Institute in New Orleans. Right now he is recording a new album.

Angelika Niescier & André Nendza feat. kaj:kaj

jazz / classical

Crossover project casted with saxophone, doublebass and string quartet, that explores rhythm and sound via composition and improvisation. The current cd is titled unerring "The Poetry Of Rhythm" and proves what music is all about: it is nothing less than rhythm.

Sonja M & Band

poetry / jazz

Brand new draft: Sonja Maria Mertens composed full-fledged songs of grand german and english poems and arranged it for singing and trio. The band rips into the heart of the audience, far away from experiments and readings.

Doyna

klezmer / jazz / funk

Jazzy, free and expressive mergence of common roots. Annette Maye (cl) and Martin Schulte (git) play their own thing: 'klezmer-funk-jazz'. Adorable melodies and danceable rhythms for sure.

Terrence Ngassa Band

afro / ethno / jazz funk

Afro-Ethno-Jazz-Funk! Is any more explanation needed?! If you need more information, there's only one way: hear it, feel it, like it and, for god's sake, dance it!

Martina Gassmann & Frank Wingold

soul / pop/ blues

Today's most exciting and remarkably duo (voice & guitar). Gassmann and Wingold play delightful songs in their own mellowed artificial language. It's about creativity, virtuosity and a warm meaty voice. Sometimes a little bit of soul and sometimes a little bit of blues, but always soulful and alive.

Jasstango

tango

Nostalgic journey to the roots of tango, rips into your heart, soul, ears and for shaking legs. Feel the original flair of Buenos Aires! The band also offers a big flamenco-theater-show! The band offers esprit and melancholia, fire and ice, wisdom and spontaneity, urban scurrillity and folksy warmth.

Franco Carmine & Maria del Mar

flamenco

Andalusian atmosphere, hot dance, mesmerizing rhythms on top of passion and authenticity. Various casts: dance, voice, guitar, percussion, flute, bass, violin.

Jazz mit Kick!

for kids

Special show targeting tomorrow's audience. The group, consisting of Liaison Tonique, brings kids into contact with jazz and music in a playful way. Workshop & concert. *(also available in english)*
